

Vipac packaging makes all the difference in the world.

Vipac, one of the oldest and most respected packaging companies in the world, is expanding internationally as few other companies in our industry. We continue to broaden our global capabilities and infrastructure to support the ever-increasing demand for Vipac packaging and products. We have sales offices around the world to serve our international customers and major manufacturing facilities in Shenzhen, PRC and Ho Chi Minh City, Vietnam.

Vipac, a 3rd-generation family-owned business, today continues its leadership position, specializing in a wide variety of heat-sealed and zipper packaging for industries including home fashions, cosmetics, apparel, sporting goods, toys and retail shopping bags. Vipac - world class - world famous - worlds ahead.
